## Background

The Foundation received its non-profit, tax exempt status from the State of Oregon in 2000. Gifts to the Foundation are gifts of knowledge that help build a better future for Lincoln County through an educated citizenry. Donations qualify as charitable contributions and may be tax-deductible. The Foundation helps to ensure growth and stability for the College, thus ensuring the future of higher education in Lincoln County.

The OCCC Foundation Board and staff work closely with the College President and the elected Board of Education to raise funds for college priorities. The College supports Foundation operations by providing office space and partial funding for equipment, materials, supplies, and staff salaries. The support provided by the College is essential in ensuring that the majority of donor contributions directly support students, programs, and other College needs that are not possible through the College's general operating budget. Individual Board members support the Foundation by contributing financial resources as well as individual expertise. Members serve as community ambassadors to enhance the College's relations with the community. Members also actively participate in fund-raising efforts and College events.
