

Paying for college - Pave Your Way to Success

Payment for classes is due by the payment deadline listed in the academic calendar. For students who enroll after that date, payment is due immediately.

Students can see their balance or access their bill online in their myOCCC account. Students who do not have payment arrangements in place will have their registration cancelled. Examples of payment arrangements include:

- financial aid offer letter
- third party payment authorization
- installment plan in place

For more information, call Student Accounts at 541-867-8504.
