<http://www.oregoncoast.edu/disabilities/>

Oregon Coast Community College is committed to providing equal opportunities for students with disabilities throughout the College community. Students with documented disabilities are entitled to reasonable accommodations under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.

The College's philosophy is to maximize student independence and self-reliance by providing a variety of support options to assist students in achieving their educational and/or vocational objectives. To initiate support services, students should contact the Vice President Student Affairs at 541-867-8501 and submit documentation of their disabling condition(s) to the Vice President Student Affairs. It is the student's responsibilities to self-identify and make the request for accommodative services in a timely manner.

All questions regarding accommodations should be directed to the Vice President Student Affairs.
