CAS 232: Desktop Publishing: InDesign

Introduces Adobe InDesign, a desktop publishing software, to design and create effective publications such as announcements, fliers, advertisements, and reports. Covers the processes to create, import, and manipulate text and/or graphics through use of software features.

Course Student Learning Outcomes

Upon successful completion of this course, student will be able to:

- Use Adobe InDesign to create personal and/or business publications following current professional and/or industry standards.
- Use critical thinking skills to independently design and create publications.

Credits: 3
Program: **Computer Applications and Office Systems**
