

## CG 130: Today's Careers

Explores a wide range of occupations, and identifies the educational and skill requirements for each. Covers ways of gathering information about specific occupations. Includes perspectives on a variety of careers to further illustrate the realities of the world of work.

### Course Student Learning Outcomes

Upon completion of the course students will be able to:

- Identify and research occupational information such as outlook, growth, and wages.
- Utilize information to develop occupational and educational goals.

Credits: 2

Program: [College Success and Career Guidance](#)
