

## COMM 100: Introduction to Communication

Covers complexities of the communication process. Includes insights into the causes and effects of general communication behaviors, involvement in active exploration of basic communication theories and concepts, and opportunities to develop communication strengths.

### Course Student Learning Outcomes

Upon successful completion, students should be able to:

- Use a newly gained understanding of the cause and effect of communication behaviors to begin to reduce miscommunication with others.
- Use the insight into filters created through the framework of culture, society, organizations, family, and self in order to make responsible personal choices in many types of relationships.
- Explore different areas of communication in order to expand a broad base of skills and communicative tools when interacting with others.
