

ECE 130B: Practicum Seminar 2

Reviews skills necessary for supporting the total development of children, ages 6 weeks to 6 years, focusing on the role of the teacher in implementing a developmental program of early childhood education in two interdependent components: seminar and practicum.

Course Student Learning Outcomes

Upon successful completion, students should be able to:

1. Collect and represent documentation of standard achievement as specified in the NAEYC Standards for Initial Professional Preparation.
2. Use the knowledge, skills, and abilities acquired in pre-and co-requisite coursework to discuss working with children.

Credits: 2
