

ECE 198: Building Effective Outdoor Environments

Covers outdoor environments for children of all ages and abilities. Addresses planning, implementing, and evaluating outdoor environments and activities.

This course is designed to enhance the knowledge base of our degree-seeking students (who are required to take 6 – 10 credits of elective credit) while also providing an accessible, interesting, and relevant course to students who are seeking to meet their professional development requirements and/or who might have limited experience in the college setting.

Credits: 1

Prerequisites: Audit available.

Program: [Early Childhood Education](#)

The Oregon Coast Community College Catalog is published each academic year. This catalog is effective Fall 2018 through Summer 2019.

While every effort is made to ensure the accuracy of the information in this catalog, Oregon Coast Community College has the right to make changes at any time without prior notice. This catalog is not a contract between Oregon Coast Community College and current or prospective students. Updates and corrections may be made from time to time to the online catalog; in the event of a discrepancy between a printed copy of the catalog and the online catalog, the Dean of Students and the Dean of Academics and Workforce will have the final authority in determining the catalog of record.
