

HE 112 : Standard First Aid and Emergency Care

Describes emergency procedures and techniques of basic life support for adult, child, or infant victims of airway obstruction, respiratory arrest and/or cardiac arrest. Provides education and training in Automated External Defibrillator. Upon successful completion of this course, students may earn an American Red Cross Standard First Aid and CPR/AED Adult/Child and Infant CPR certificate.

This course will cover major aspects of first aid with regard to emergency care and preventative measures. The student will learn the proper methods and procedures for applying CPR in given emergency situations.

Credits 1

Prerequisites

Equivalent placement test scores also accepted.
