

HEC 236: Language and Literacy in Early Childhood Education

Overview of language and literacy development in children from infancy to age 6. Design and use a variety of language and literacy development activities with young children.

The student will develop knowledge and understanding of the normal development of language in the young child and the teacher's role in fostering and facilitating this development. Hands-on experiences with language stimulation activities and the application of literature will be offered. Also, the student will assess and develop techniques for evaluating and using a variety of types of literature with the child.

Credits: 3
