

HST 205: History of Women in the U.S.: 1877 to Present

Examines women's work in the maturing industrial economy, women's reform activities, and changing family and social relationships. Explores class, ethnic, racial, and regional diversity. History courses are non-sequential and may be taken in any term and in any order.

Course Student Learning Outcomes

Upon successful completion students should be able to:

- Articulate and interpret an understanding of key historical facts and events in U.S. History from 1877 to the present, and their particular impact on women.
- Identify the influence of culturally based practices, values, and beliefs to analyze how historically defined meanings of difference affect human behavior.
- Identify and investigate historical theses, evaluate information and its sources, and use appropriate reasoning to construct evidence-based arguments on historical issues.
- Construct a well organized historical argument using effective, appropriate, and accurate language.
